There will be a Camper and Parent Orientation meeting on **Monday, June 10th at 6:00 p.m.** at the James E. Ward Agricultural Center (Wilson County Fairgrounds) in the Education Building.

## Registration Packet

- There are TWO sets of paperwork to complete that are detailed below. The camp registration form (about 3 pages) and the 600-A form (about 4 pages).
- Make sure to sign everything asking for signatures. There are several places your child must also sign.

## Camp Registration Form

- This set of paperwork includes the 4-H enrollment form, demographics and contact information.
- Please make sure to note your child's t-shirt size on the form in the appropriate location.
- This form also includes roommate preferences. Please note, campers are typically roomed with other campers from their grade level and school. The roommate request is especially important if your child wants to room with a sibling, relative, or friend in a different grade or school.

## Special Needs (Included in Camp Registration Form)

- Make sure to outline any physical, mental or dietary special needs your child has on this form.
- If your child has any dietary restrictions, outline them here.

### **Pick Up Permission/Consent** (Included in Camp Registration Form)

- Make sure every possible person who MIGHT pickup your child when we return from camp is included on the pickup form (first and last legal name). This includes YOU, parents, grandparents, older siblings, family and friends, or even a parent of another camper who may pick up both campers.
- A photo ID will be required at pickup to ensure that your child leaves camp with someone approved by you. Please write names on this form as they would appear on photo ID's and not nicknames.

### **Camp Rules** (Included in Camp Registration Form)

- Please make sure to read over the camp rules carefully and sign this form that both camper and guardian understand and agree to the rules.

### **600-A Form**

- You MUST attach a current picture of your child as well as a copy of your insurance card (front and back) to the 600-A form. If you need help with copies, please feel free to visit our office and we can make copies for you.
- Pay special attention to the First Aid Section (Section F) of the 600-A form. Medications that you DO NOT check (Tylenol, Pepto Bismol, etc.) will NOT be given to your child unless marked.
- Please note that all information you provide us (including the special needs) will be kept confidential.
- Please note that signing of the 600-A form consents your child to be photographed/videoed (Section C. Publicity Release). Photos and videos are taken throughout the week to share on our Wilson County 4-H social media and website and may be shared on Clyde M. York 4-H Center or other UT affiliated social media sites and websites (Such as the Tennessee 4-H page, UT Institute of Agriculture page or UT Extension page). In the event you do NOT want your child photographed for any reason, please let us know so we can be advised.

### **Medications at Camp & Medication Forms**

- The medication form (along with any medications) will be turned in at drop off on June 24th.
- Every medication must have it's OWN form. Do NOT add multiple medications to one form. If you need more copies, we will be glad to provide additional copies for you.
- Medications should be clearly labeled with camper's name in their ORIGINAL containers. Do NOT send medicines in pill containers or ziploc bags.
- Medications should be in date and NOT expired.
- Make sure the prescription is correct, and the dosage listed on the form MATCHES dosage information on the medication container.
- Medications listed on the First Aid Section (Section F) of the 600-A form do not have to be sent with your child from camp, UNLESS your child takes them daily for a specific reason. Please do not send your child to camp with over the counter medications.

## **Who will be at Camp?**

4-H Agents Morgan Beaty and Grace Harville coordinate the logistics of overnight camp. The 4-H Center Staff and Camp Counselors provide leadership in conducting camp programming. A full time nurse and lifeguards will also be on site. Additionally, we will be taking a handful of volunteer adult (male and female) leaders to provide extra chaperone support. Volunteer leaders must be at least 19, complete a background check and attend our camp volunteer training. ***If you are interested in attending camp as a volunteer (at no cost to you) please call the office (615-444-9584).***

## **Camp Communication**

Campers should not bring cell phones to camp. If an emergency arises, you may reach your 4-H Agents (Morgan Beaty and Grace Harville) through the camp office (931-788-2288). Additionally, we will utilize the REMIND app text service. This app will give you as the parent the ability to message us directly. We also send out reminders and alerts through this app. Please see the attached REMIND information page to sign up for this service.

## **Does my camper need to bring money to camp?**

There are several opportunities for your child to spend additional money at camp on extra crafts, snacks and souvenirs. Your child is responsible for their own money. However, we will utilize a county "bank" system for those who would like to participate. You send a small amount of money for your child to spend each day (Tuesday, Wednesday and Thursday) and they will be able to collect it from the county 4-H Agents at breakfast on those days. Your child will not need money for Friday.

## **What if my child has dietary needs?**

Camp Staff will make every reasonable effort to make sure that campers have the foods they need at camp. Campers with dietary concerns are encouraged to bring their own meals and snacks if possible. Storage space, refrigeration, and cooking facilities will be provided at no additional cost. Please inform us of any dietary needs and restrictions so we can make a plan for your child at camp. Additionally, food labels for all menu items will be made available to them. Please note menu items contain food allergens like dairy, egg, soy, wheat, or may have been manufactured in facilities that use those ingredients, including peanuts, and tree nuts. While the 4-H Center uses reasonable efforts to inform guests of ingredients/allergens in their foods, due to cross-contact and other factors they cannot guarantee that any food items will be free of any specific allergen.

## **Cabins and Rooming Assignments**

Cabins are split up into boys cabins and girls cabins. Each cabin contains 4 rooms for camps (bunk beds) and 1 room in the center for adult leaders. Each cabin also contains a community style bathroom with individual stalls and showers. Your child will be assigned a cabin and a room (typically rooms are assigned by grades and schools). They will then be allowed to select their own beds within that room. Each room contains about 10-12 campers. Your child can request a roommate on the registration forms and we will do our best to honor roommate requests.

## Will I be able to visit camp or pickup my camper early?

For the safety of our campers and camp staff, the gates around camp will remain locked with only approved persons having access to come and leave. We discourage parents from visiting campers as it provides a strain on camp staff to allow people in and out, and typically only promotes homesickness. You will not be able to pay for partial camp weeks or be refunded for partial stays at camp if your child has to leave early. However, in the event that something happens and you need to pick up your child, please communicate with 4-H agents. There is an early release form that must be completed for your child to leave AND 4-H agents will need to notify camp staff of your arrival to get in the gates.

## Electronics

Please do NOT send your child to camp with valuable items or electronics (ipads, gaming systems, etc.). There are not enough outlets to keep these items charged and no access to internet for many of these items to work properly. Typically, these items are more prone to being lost, stolen or damaged at camp.

## Can I send my child mail?

Sure! Letters and postcards are encouraged. Send letters with positive news from home assuring all is well with you and the rest of the family. The mail often takes one to two days for delivery, so you may want to send a few days early in order for it to reach your child in time. Do not send mail later than Wednesday, as it will not make it in time. Please do not send food. Food in our cabins may attract critters including rodents and bugs. Please do not send campers items that must be signed for, as the 4-H center staff is not allowed to sign for camper's item.

Campers may also wish to send letters and postcards home to you. Feel free to send you child to camp with pre-addressed postcards/envelopes to send you during camp. We have a camp mailbox for them to drop their postcards in to send home.

## Camp Rules for 2024

**Please read each of the rules listed below and sign that YOU and YOUR camper understand and agree to these rules. Both parent and camper should sign.**

1. All camp property should be respected and taken care of. If a camper/counselor destroys any property, he/she will be expected to replace it or pay for damages.
2. Campers should stay out of cabins in which they are not staying in or assigned to.
3. Campers and counselors should never enter a cabin/room of an opposite gender.
4. Campers should not leave cabins after lights out (this will be monitored by 4-H staff and volunteers).
5. Cabins and grounds should be kept clean during camp and must be clean when we leave. Consider keeping your things neat and tidy during the week so that cleanup and pack up is easier. Also, consider labeling your things/clothes.
6. Campers/Counselors should never leave campgrounds except with an agent or with his/her approval for an approved reason. Campers leaving early must coordinate with 4-H agents and camp staff and sign an F-600 -R (Member Early Release Form) prior to departure.
7. Each camper is responsible for his or her own money during the day. We do have a county money bank system (more information in camp packet). However, once the camper has signed for their money each day and it is in their hands, 4-H staff and volunteers are no longer responsible for how the camper spends their money or if they lose it. Please be aware of where you put your money.
8. All camp staff and 4-H staff should be treated with respect.
9. Campers should wear shoes at all times except when swimming in the pool. Please bring flip flops for the walk between the cabins and the pool.
10. Shirts and shoes should be worn in the cafeteria. Caps/hats should be taken off when entering the cafeteria. Swimsuits may not be worn in the cafeteria.
11. Campers should wear shirts at all times around camp with the exception of being in the pool. Campers should not wear any clothes with inappropriate logos, wording or images. Shorts/skirts should be an appropriate length. Please no spaghetti straps, muscle tanks, tight fitting clothing, bare midriffs, or tank tops with the entire sides missing.
12. Everyone is expected to attend all meals and programs.
13. Absolutely NO tobacco, vapes, or any other drug related products should be found at camp. This is a NO tolerance policy, and campers or teens found with any of these substances will be sent home immediately.
14. Campers should NOT pack anything that can cause bodily harm to another camper (no pocket knives, fishing hooks, firearms, fireworks, sparklers, etc.).
15. Campers should NOT bring cell phones. Communication should happen between 4-H staff and parents if necessary.
16. Campers should not plan on bringing any electronics (iPads, gaming systems, etc.) or valuable items. 4-H staff is not responsible for damaged or lost valuables.
