

Central Region 4-H 2025 Fun with Fashion

Fun with Fashion provides practice in consumer purchasing skills. Participants may enter multiple classes in their grade level, but one entry per class. Most of the outfit, including accessories, should be purchased with the scenario and budget in mind. Shoes do not need to be new or count in the budget. Remember to use comparison shopping to check out prices for the same or similar outfits in different stores. You may use secondhand stores (i.e.: thrift or consignment stores, yard sales), online re-sale apps, clothing rental websites, or subscription services. Keep up with your costs and savings. Record this on your entry form. Entry form: tiny.utk.edu/FunWithFashion
