Due to issues with “Remind” text message service, we have decided to change our reminder services beginning Fall 2025 to “Band” app. Band is a way for us to communicate with parents (we prefer not to communicate with youth). This will be a one way message service for each of our groups. We will send friendly reminders about meeting dates, times and locations. You cannot reply to all, you can only send us a private message that will go to the 4-H Agent over the program as well as myself. Please scan the QR code above to register for the 4-H Poultry Judging. You will need to register for specific band for each club/class you join with 4-H.

Thank you,
