Using the 4-H clover on your poster is a great idea, but you have to use it correctly!

Using the rules below, find the correct clover and circle it!

2. The stem on the clover always points to the RIGHT.
3. Do not place text or images on top of the clover.
4. The clover must use all four H's.
5. The clover must be turned upright - not sideways, crooked or upside down.
6. The emblem must be a solid green, black or white.
