

December 11, 2025

Dear 4-H member and family,

Congratulations on advancing to the final level of our sewing program – Level 4! We are proud and excited to have you as our third graduating class! Also, any level 4 child that wants to come back and sew with Level 4 again, you are welcome to join us again. You won't get to graduate again, but you can sew the Level 4 projects. It will be different from last year.

All meetings will be held at the UT-TSU Extension Wilson County Office from 5:00 p.m. to 7:00 p.m. Our scheduled dates are listed below.

- February 3rd
- February 10th – Valentine's Day Party
- February 17th
- February 24th – Graduation Day

In order to graduate from our program, the 4-H member must attend 3 of the 4 sessions and/or possess the skills required to complete the projects on their own. We understand circumstances beyond our control happen, and should the need arise for the 4-H member to miss more than one class, please do not hesitate to reach out to us.

Sewing classes are taught precept by precept which means that skills are taught in order that you will use them in the classes. Example - skills taught in Class 1 are carried over to be used in Class 2. Some classes are more intense than others and multiple skills are learned in one class. For example, the first 15 minutes we go over instructions and steps needed to complete the rest of the class. It is very important to be on time when the class starts so the child does not get behind. We will make every effort to help the child catch up and complete projects, but it is best when everyone is on time and the whole class is on the same step.

Sewing is a skill and like any sport or musical instrument. Practice is the key to getting better. The classes are designed to teach the student sewing skills, how to cut, use patterns, and techniques. It is suggested that sewing practice at home is encouraged for the child to improve on skills.

We will be using the "BAND" app for this club. Please make sure you have joined our page on the BAND app, as this will be the fastest way for us to communicate with you about reminders for meetings and any last-minute changes to this program.

The cost of the class will be **\$65 (please make checks payable to The University of Tennessee)**. If you would like to be in the class but cannot afford the fee, we do have some scholarships available. In order to apply you will need to send a letter stating your circumstances and include two references. Space is

limited and will be filled as first come first serve. Enclosed you will find an enrollment form and 600A. These forms and fee will need to be returned in order to reserve a spot for your child.

If you have any questions, please feel free to call, email or you may leave a message at our office for me with Sissy Shrum. We look forward to seeing you all in class and don't forget to register as soon as possible as spots will fill up fast!

Sincerely,

A handwritten signature in cursive script that reads "Grace Harville".

Revised 2/25

Wilson County 4-H Sewing Club

The 4-H Sewing Group is open to any youth in 4th to 12th grade. If you like to create

Scan this QR code and join!

Due to issues with “Remind” text message service, we have decided to change our reminder services beginning Fall 2025 to “Band” app. Band is a way for us to communicate with parents (we prefer not to communicate with youth). This will be a one way message service for each of our groups. We will send friendly reminders about meeting dates, times and locations. You cannot reply to all, you can only send us a private message that will go to the 4-H Agent over the program as well as myself. Please scan the QR code above to register for the 4-H Sewing Club. You will need to register for specific band for each club/class you join with 4-H.

Thank you,

Sissy
