**Communications:**

In the event of inclement weather, we will not have our club meeting if schools are closed, or the Extension Staff feel meetings are unsafe. **Canceled classes will be made up at another time!** We encourage you to sign up for the free "Band App" service so we can send you a reminder of the meetings and alert you if there are unexpected changes to the schedule. You will also be able to contact us through the app.

Space is limited and will be filled as first come first serve. Please complete the online enrollment form as soon as possible as spots will fill fast! The online registration link is <https://forms.cloud.microsoft/r/FaeX9a0icu?origin=lpLink>. At the end of the registration form, you will be prompted to copy the online payment link before hitting

## **Wilson County 4-H Creative Arts Club**

The 4-H Creative Arts Club is open to youth in 4th to 12th grades. If you want to learn to

**Scan this QR code and join!**

Due to issues with “Remind” text message service, we have decided to change our reminder services beginning Fall 2025 to “Band” app. Band is a way for us to communicate with parents (we prefer not to communicate with youth). This will be a one way message service for each of our groups. We will send friendly reminders about meeting dates, times and locations. You cannot reply to all, you can only send us a private message that will go to the 4-H Agent over the program as well as myself. Please scan the QR code above to register for the 4-H Creative Arts. You will need to register for specific band for each club/class you join with 4-H.

Thank you,

Sissy
