Dear 4-H Members and Parents:

Your child has expressed interest in the 4-H Horse Hippology & Horse Bowl! At practices, 4-H members will learn how to identify colors, patterns, markings, equipment, feeds, nutrition, diseases, and much more. Knowledge is then put to the test at the regional competition through a written test and exam (Hippology) and a buzzer-style quiz bowl (Horse Bowl) contest. While this is a competition and youth are studying to learn and do well, they typically have a LOT of fun participating in activities and games to help them learn! **Participation in this event requires a \$15 fee.** This fee covers the contest entry fee and a team shirt.

All meetings will take place at the UT TSU Extension Office (925 E Baddour Pkwy, Lebanon, TN 37087) from 5 p.m.- 6:30 p.m.

2026-2027 Meeting Schedule:

- November 17
- December 1
- December 10
- December 15
- January 5
- January 7
- January 12
- January 14
- January 16 -Central Region Contest! (Cumberland University)

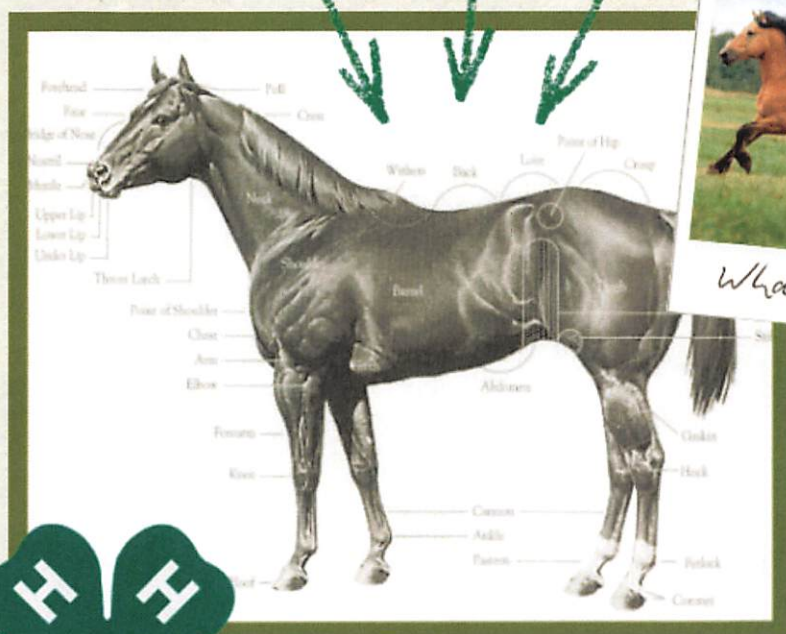

The Central Region 4-H Contest will take place on Saturday, January 16th at Cumberland University. If a team finishes in the TOP 4 at the regional contest, they will be invited to the state contest in Knoxville on February 20th.

Attached is a QR Code for the online enrollment form and online payment. Please complete this before the first meeting. We will also be using the "band" App message service this year. We have included a flyer with directions on how to sign up so that you can receive information and communicate with us quickly!

Please let us know if you have any questions!
